CORONAVIRUS (COVID-19)

Work safely and protect yourself and others.

During the current COVID-19 (Coronavirus) outbreak please ensure you are following the most recent advice from the Government and the NHS to help with the health & safety of yourself and others.

- Maintain at least a 2 metre distance (approx 6 ft) from your colleagues including at break and meal times.
- Wash your hands more regularly with soap and water. If soap is not available use hand sanitiser.
- Cough and sneeze into a tissue and ensure it is disposed of correctly in a bin
- Ensure you are wearing your PPE correctly.
- Follow additional guidelines and instructions issued by your site management team – regularly look at the notice board.
- **If you have symptoms of coronavirus – stay at home & self-isolate for 7 Days**
- **For more information visit:**
- **NHS 111 online or www.nhs.uk**
- **www.gov.uk**
